#### PUBLIC PURPOSE AND COMMUNITY OUTCOME

The purpose of the Gresham Redevelopment Commission (GRDC) Advisory Committee is to advise the GRDC on implementation of Urban Renewal plans, including, but not limited to: a) The timing, final design, and funding for projects and activities listed in the Rockwood-West Gresham Renewal Plan (Plan); b) The annual or period work plans related to implementation of the Plan; c) Minor or major amendments to the Plan; d) The sponsoring of public events and other activities to gather input and communicate with the community regarding the Plan; and e) Serve as the seven appointed citizen members of the GRDC Budget Committee.

---

#### BACKGROUND

The GRDC Advisory and Budget Committees each consist of seven members and were established pursuant to GRC 2.24.010(4). All members of the GRDC Advisory Committee are appointed at large. Insofar as possible, candidates who are residents of the Rockwood-West Gresham Urban Renewal Area receive preference in appointment. In appointing these representatives, every effort is made to include in the GRDC Advisory Committee a spectrum of appointees that form a wide range of backgrounds that reflect the diversity present among Rockwood-West Gresham residents, property, and business owners. Appointees to the GRDC Advisory Committee serve as the seven appointed citizen members of the GRDC Budget Committee.

Mr. Johnson currently serves as Vice Chair of the GRDC Advisory Committee. He has completed his first term on the GRDC Advisory and Budget Committees and is being recommended for reappointment to serve an additional three-year term on both committees ending June 30, 2023.
