Re:
Application No.
PMA 19-26000311
October 14, 2019
Planning Commission
Recommendation Order and
October 4, 2019
Staff Report.

Dear Commissioners:

At the hearing before Gresham's City Council on November 19, 2019, former Mayor Shane T. Bemis raised several issues and the council decided to remand the issue to the Planning Commission for further consideration.

The current public health crisis delayed the applicant's response to the issues raised.

The applicant now, respectively, submits a memorandum and graphic presentation discussing the issues.

We request time on your agenda to gain your insight into the issues raised and sharpen our presentation to Gresham's City Council.

Thank you for your consideration of our request.

Sincerely,

Victoria Milne, Representative
