The public hearing for Rockwood Village (formerly called Rockwood Apartments and Rockwood 10, DRE/MIS/TR 18-26000352) was held before the Design Commission on March 27, 2019. At the hearing, the potential for a mural or art on the exterior of the three-story multifamily building located at the intersection of SE 185th Ave. and SE Yamhill St. (Building E, the “gateway building”) was mentioned as related to a Good Neighbor Agreement between the developers and the Rockwood Neighborhood Association. At the Design Commission meeting on September 1, 2021 the Rockwood Village project team will update the Commission on this topic. The project team will present artwork designed to be installed on the southwest corner of the Building E. This memo includes a site plan explaining the location of the art (Attachment A) and an overview of the design provided by the artist, Addie Boswell, (Attachment B).
