The Middle Housing Land Division process supports homeownership by allowing lots with middle housing to divide such that each middle housing dwelling is on its own lot. As used in this section, a “middle housing land division” is the division of a lot or parcel on which the development of middle housing is allowed under ORS 197.758 (2) or (3). A Middle Housing Land Divisions includes both a preliminary approval and a final plat and is not a land use decision or a limited land use decision under ORS 197.015.

6.0502 – APPLICABILITY

- A. Lots in the following districts or portions of districts may be divided for middle housing development following the Middle Housing Land Division process outlined in this section: LDR-7, LDR-5, TR, TLDR, MDR-12 (lots of record only), OFR (lots of record only), LDR-GB, LDR-PV, MDR-PV, VLDR-SW, LDR-SW, DRL-1, DRL-2, and those portions of CMF along the NE Glisan and NE 162nd Avenue corridors.

 - 4. All easements necessary for each dwelling unit shall be provided. Easements shall ensure:
 - a. Provision of and access for maintenance and replacement to all utilities;

5. Evidence submitted by the applicant demonstrates buildings or structures on a resulting middle housing lot or parcel will comply with applicable building code provisions relating to new property lines and how buildings or structures located on new lots/parcels will comply with Oregon residential specialty code.
- B. The Manager shall apply additional conditions to the approval of a tentative plan for a middle housing land division to:
 1. Prohibit the further division of the resulting middle housing lots or parcels.
 2. Require that a notation appear on the final plat indicating that approval was given under 6.0500 Middle Housing Land Divisions.
 - C. The type of middle housing developed on the parent parcel is not altered by a middle housing land division.
 - D. Where the parent parcel abuts the street and dedication or frontage improvements consistent with **Table A5.501** were not provided when the lot or parcel was created, improvements shall be provided that meet the standards of **A5.500** and the Public Works Standards.

 - F. The Manager shall not enforce any provision in a recorded instrument affecting real property that is executed on or after August 8, 2019 if:

 3. An accessory dwelling unit allowed under ORS 197.312 (5) (Limitation on City and County Prohibitions – Needed Housing within UGBs); and

 1. Lots or parcels resulting from the division of land in a planned community are subject to the governing documents of the planned community and are allocated assessments and voting right on the same basis as existing units.
 2. Judicial partition by division of a lot in a planned community is not allowed unless:
 - a. The declaration expressly allows the division of lots in a planned community; or

 3. The lot may be partitioned by sale and divisions of the proceeds under ORS 105.245 (Sale or Partition Ordered by Court).

The hearings officer may use any procedure for decision-making consistent with the interests of the parties to ensure a fair opportunity to present information and argument. The hearings officer shall provide the local government an opportunity to explain its decision but is not limited to reviewing the local government decision and may consider information not presented to the local government.
 6. The hearings officer shall apply the substantive requirements of **Section 6.0503** and ORS 197.360. The hearings officer shall assess the cost of the appeal in excess of the deposit for costs, up to a maximum of \$500, including the deposit paid under subsection (1) of this section, against an appellant who does not materially improve his or her position from the decision of the local government. The local government shall pay the portion of the costs of the appeal not assessed against the appellant. The costs of the appeal include the compensation paid the hearings officer and costs incurred by the local government, but not the costs of other parties.

 12. Any party to a proceeding before a hearings officer under this section may seek judicial review of the hearings officer's decision in the manner provided for review of final orders of the Land Use Board of Appeals under ORS 197.850 and 197.855. The Court of Appeals shall review decisions of the hearings officer in the same manner as provided for review of final orders of the Land Use Board of Appeals in those statutes. However, notwithstanding ORS 197.850 (9) or any other provision of law, the court shall reverse or remand the decision only if the court finds:

 - b. That there is a basis to vacate the decision as described in ORS 36.705 (1)(a) to (d), or a basis for modification or correction of an award as described in ORS 36.710; or
