

Imagine Gresham and Urban Forestry Subcommittee Input Committee Conversation Date 2/28/2022

Schedule

Questions for the Urban Forestry Subcommittee

1. What are the emerging trends in your interest area that the City should be planning for?
2. What are the highest priority things the City should accomplish in the next two to five years?
 - How would you rank these priorities from highest to lowest priority?
3. If you could tell the City Council one thing about your understanding of the needs and perspectives of the community, what would it be?
4. What else would you like the City Council to know while setting the vision, priorities, and goals for the strategic plan?
