

Northwest Neighborhood Association Board Meeting Minutes

April 4, 2022

The meeting was called to order at 7:40 p.m. and was held via Zoom. Kat Todd, John Bildsoe, Chris Fast, Naomi Butler, and Barb Adams were present.

Kat said she has been having a tough time getting in touch with someone from the Backyard Habitat Program. We were hoping to have someone present at our next meeting, Monday, May 2, at 7:00 via Zoom.

The new Gresham Police Chief (Goldberg) is available, so that is one presentation that we have already planned.

Kat would like to get the meeting agenda in the sign at the park.

“Imagine Gresham” is in its second phase, although Kat’s not sure how neighbors are supposed to engage.

John said there is not a lot to report for land-use. There will be an Early Neighborhood Notification meeting coming up on April 19. There was an ENN meeting regarding the Brinmar development, but John said they didn’t address the issues that needed to be addressed.

Kat said she would like to set a date for our next Adopt-a-Park clean up for some time early May. We tentatively planned it for Saturday, May 14 from 9-noon. The West Gresham Grade School open house will be held that same day from 1-4 p.m. John said he thinks the two events will not conflict, and that they will go well back-to-back. Kat said she will talk to Michael G. about coffee and doughnuts (if there are restrictions).

Treasurer’s report: \$611.88 On-Point balance

Kat said the grant application process for the matching grant has not opened up yet. There was a discussion about what worked well last year and what we might like to do this year.

Naomi suggested that someone from Rockwood Rising make a short presentation at our next general meeting would go along well with the police chief’s presentation. Rockwood Rising marketplace is opening the first weekend in May, so it would be timely.

The picnic is tentatively planned for July 21. The annual Nwana election meeting will be held on Monday, November 7, 2022. Our next general meeting will be held Monday, May 2, at 7:00 on Zoom.

The meeting was adjourned at 8:40 p.m.
