# THE BEST OF THE ROCKIES

*Glacier Stone Supply* is the country's premier natural stone company providing your clients with "The Best of The Rockies." We are located in the picturesque Northwest corner of Montana right in the heart of the Northern Rockies and adjacent to Glacier National Park. This incredible living showcase features the grandeur of the Rocky Mountains and the rich glacial history that provides the most beautiful natural stone colors. We are proud to deliver the timeless beauty, ruggedness and enduring nature of the Rocky Mountains to your doorstep. Glacier Stone Supply is the source for all of your building projects, providing our Natural Stone in our trademark Natural Lite™ Thin Veneer, Full Stone Veneer, Architectural Stone and a myriad of Landscape products.

As the largest supplier of natural stone thin veneer in the Pacific Northwest, we are currently operating 19 quarries to provide you with the exact look your project requires. Our customers range from multi-million dollar commercial and residential developments to simple fireplace and outdoor kitchen projects. Our vast distribution network covers the entire United States, Canada as well as Europe and the number of locations continues to grow every month. The company's growth can be directly attributed to our sincere desire to provide the highest level of customer service and deliver above and beyond our customers' expectations. Please contact your local distributor or call us today and let us help provide you the perfect natural stone solution.

*This brochure only begins to display some of your natural stone options. Additional stone shapes/size options are available as well as custom blends and colors to provide you exactly what your project demands.*

## NATURAL LITE™ THIN VENEER

Natural stone provides a visual class and permanence that no other interior or exterior product can provide. It has unique qualities that only Mother Nature can produce.

### CORNERS

Length: 2" to 10"
