

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE CITY OF GRESHAM
AND
TEAMSTERS LOCAL 223**

The City and Union entered into an MOU dated April 19, 2017, related to outsourcing the servicing of Fire apparatuses (trucks and engines) to Hughes Fire Equipment. Paragraph 7 of the MOU says:

The City intends to evaluate the outsourced service approach as well as evaluate the City's Fleet Services Division's progress in achieving the recommended service improvements after one year. The City will meet and confer with the union at the one year mark.

Pursuant to the above language, the parties have met and conferred. Based on those discussions, the City will extend its contract with Hughes to service its Fire apparatuses until June 1, 2019, under the same terms and conditions of the April 19, 2017 MOU. All other terms and conditions of the April 19, 2017 MOU shall remain in full force and effect.
