

city of *Gresham*
parks & recreation, trails and natural areas master plan

ACKNOWLEDGEMENTS

The City of Gresham greatly appreciates the efforts of numerous City officials, staff, professionals, and residents who have contributed to this planning effort. The efforts of caring citizens will continue to enable the success of our community's park system.

June 2009

TABLE OF CONTENTS

Executive Summary

1. Introduction.....	1
Plan Purpose	
Planning Process	
Public Involvement	
Plan Organization	
2. Existing Park System.....	11
Planning Area	
Demographics	
Park Classification System	
Inventory Summary	
3. Community Vision and Priorities	23
Summary of Community Involvement	
Vision for a Preferred System	
Community Priorities	
4. Park and Facility Needs.....	31
Overview	
Park Land Needs	
Facility Needs	
Programs Needs	

5. Park System Costs 47

- Proposed Park System
- Potential Improvements
- Cost Overview
- Existing System Costs
- Park Development Costs
- Maintenance Costs
- Programming Costs

6. Implementation..... 63

- Alternative I: Existing Unsustainable Park System
- Alternative II: Future Sustainable Park System
- Potential Sources of Funding
- Prioritization Criteria

7. Strategic Decisions..... 79

- Plan for the Future
- Performance Measures
- Conclusion/Final Message

Bibliography 85

Appendices

- Appendix A: Park and Facility Inventory by Classification
- Appendix B: Park Evaluations
- Appendix C: Design Guideline Analysis
- Appendix D: Needs Assessment Maps
- Appendix E: Public Involvement Summary
- Appendix F: Park System Costs

- Appendix G: Potential Funding Sources
- Appendix H: PRAS Options Analysis
- Appendix I: City Tax Comparison
- Appendix J: Trail Master Plan

LIST OF MAPS

- Map 1: Existing Park & Recreation Facilities
- Map 2: Park Access Analysis (½ Mile Service Area)
- Map 3: Park Capacity Analysis (2006 Population & ½ Mile Service Area)
- Map 4: Park Capacity Analysis (Maximum Buildout Population & ½ Mile Service Area)
- Map 5: Population Density (2006 Population & ½ Mile Service Area)
- Map 6: 2006 Median Household Income (½ Mile Park Service Area)
- Map 7: 2006 Percent of Households below Poverty Level (½ Mile Service Area)
- Map 8: Sport Field Service Areas
- Map 9: Picnic & Playground Service Areas
- Map 10: Existing & Proposed Trail Access (½ Mile & 1 Mile Service Areas)
