

## **Master Fee Schedule**

Effective Date: 12/10/2024

Publish Date: 12/17/2024

**DISCLAIMER AND NOTICE:**

Every attempt has been made to offer the most current, correct, and complete information available. However, errors may occur or there may be a time delay between adoption of fee resolutions and publication of the fee schedule. The information contained herein is subject to change at any time and without notice.

## Administrative Fees

*Gresham Revised Code (GRC) sections are for reference and are subject to change.*

*Establishing Resolution No. 3357 was passed 6/4/2019 and effective 7/1/2019.*

### **Nomination Petition or Declaration of Candidacy (GRC 2.08.020) Fee**

Filing fee for declaration of candidacy for an elective city position \$ 10.00

### **Passbook Retainage (GRC 2.80.900) Fee**

Set fee for establishing account \$ 50.00

*Fee also includes eventual closing out of any passbook account. Due 30 days after the date the contract is signed.*

Variable fee per month \$ 10.00

*For the estimated life of the account. Based upon the city engineer's estimate on the life of the contract. This is to cover the cost of issuing checks for deposit in the passbook retainage account, periodic reconciliation of the account and other related clerical work. This charge will be adjusted upon closing the account. Due 30 days after the date the contract is signed.*

Securities in lieu of retention \$ 35.00

*For additional clerical work and the correspondence necessary to release the assigned securities at the end of the contract. Due 30 days after the date the contract is signed.*

### **Fees for Administrative Services (GRC 2.84.030) Fee**

Fees for administrative services Actual Cost

*When a customer requests a history of his or her utility account, staff must do special research. The fee for this service will be based upon the actual time spent in research and will be charged at the staff member's current hourly rate calculated on salary, fringe benefits, and overhead.*

### **Returned Non-Sufficient Funds (NSF) Check (GRC 2.90.010) Fee**

Returned NSF payment fee \$ 25.00

*To recover the cost of processing of non -sufficient funds (NSF) payments*

### **Liens Fee**

Lien Search (GRC 2.90.010) \$ 30.00

*\$7.00 of this fee shall be placed in a fund to support the addressing review and assignment process.*

Release of Lien (GRC 2.92.050) \$ 35.00

### **Late Payment & Collection Costs on Delinquent Receivables (GRC 2.92.010-20) Fee**

Late payment charge - per month, compounded monthly 1.50%

Delinquent receivables collection cost Actual Cost

*For all delinquent receivables subject to internal or external collections.*

## Demands for Compensation

*Gresham Revised Code (GRC) sections are for reference and are subject to change.  
Establishing Resolution No. 3358 was passed 6/4/2019 and effective 7/1/2019.*

<b>Review of Demands for Compensation Under GRC 2.98</b>	<b>Fee</b>
--	------------

- o Application fee, per demand (GRC 2.98.040)\$ 2,173.00
  - o AppraisalActual Cost
- Appraisal is done under the authority of the manager under GRC section 2.98.050(9). The manager shall provide the owner with an estimate of the appraisal cost. The owner will deposit the amount of such estimate with the city within seven days of mailing of the estimate. After the payment of actual costs, any deposit excess will be refunded to the owner. Any additional appraisal costs in excess of the deposit amount shall be paid by the owner to the city within 10 days of notice.*

<b>Review of Demands for Compensation Under GRC 2.99</b>	<b>Fee</b>
--	------------

Processing fee, per demand (GRC 2.99.060) Actual Cost

*A minimum \$5,000 deposit is required. The City shall keep a record of all time, materials and expenditures spent processing the Claim. If the costs involved in processing the Claim do not exceed the deposit, the City shall return the unused portion of the deposit to the Claimant. If the costs of processing the Claim exceed the amount of the deposit, Claimant will receive an invoice for the excess costs, and shall be responsible to reimburse the City for all amounts in excess of the deposit prior to issuance of a final decision by the City on the Claim.*

Establishing Resolution No. 3622 was passed December 10, 2024 and effective December 10, 2024.

<h2 style="margin: 0;">Stormwater Use Fees</h2>
---

*Gresham Revised Code (GRC) sections are for reference and are subject to change.*

*Establishing Resolution No. 3622 was passed December 10, 2024 and effective December 10, 2024.*

<b>Calculating Drainage Residential Unit</b>
--

One Drainage Residential Unit (1 DRU) = 2,500 square feet of impervious surface.

Single dwelling units existing as of July 1, 1994 are charged for 1 DRU.

New single dwelling units (including middle housing dwelling units), unless attached to an existing dwelling unit, are charged as follows:

$$(\text{Actual area of the building footprint}) * (1.3) + 650 \text{ square feet}$$

Building additions, including building additions on homes built prior to July 1, 1994 and new dwelling units attached to existing dwelling unit(s), are charged based on the added building footprint converted to DRU.

All other DRUs are based on actual impervious area. DRUs are generally calculated concurrent with system development charges prior to building permit issuance.

<b>Stormwater User Charge Calculation (GRC 3.60.015; GRC 3.60.035)</b>	<b>Fee</b>

## Reducing Stormwater Charges (GRC 3.60.045)

### Single Dwelling Unit and Duplex Credits

o **Quick Credit.** Single dwelling unit and duplex customers that are served by on-site mitigation facilities are eligible for a credit equal to 27% of the monthly user charge if the customer certifies the following:

1. No impervious areas, including roofs, walks or driveways, drain, either directly or indirectly, to the street or other elements of the public stormwater system.
2. The on-site mitigation facilities have adequate capacity to retain the net stormwater from a 10 year, 24 hour storm event.
3. No floor or appliance drains are connected to the on-site mitigation facilities.
4. The customer's use of the on-site mitigation facilities meets all city, county, state, and federal water quality requirements.

Quick credits will take effect at the beginning of the billing cycle that the city receives that credit application from the customer, if the application is received at least 30 days prior to the end of the billing cycle. If the city receives the application after that date, the quick credit will start at the beginning of the next billing cycle.

o **Prorated Credits.** Single dwelling unit and duplex customers who meet the above criteria for a portion of the impervious area on their property will be eligible for a prorated credit. The prorated credit shall be based on the percentage of impervious area that is served by the on-site mitigation facilities.

### On-Site Mitigation Credits (Other Credits)

Credits shall be granted for on-site mitigation facilities that exceed city design requirements providing:

1. The on-site mitigation facilities meet all city, county, state, and federal water quality requirements.
2. The on-site mitigation facilities are built to city public safety standards or the approved equivalent.
3. The customer establishes a maintenance program that will maintain the on-site mitigation facility to its operational capacity.

The following formulas shall be used in calculating the on-site mitigation adjustments for those customers meeting the above requirements:

$$F = \frac{I}{DRU} \times R \qquad C = F \times P \times \left[ 1 - \frac{Q_D}{Q_P} \right] \qquad AF = F - C$$

F	Monthly user fee for the property without credits
I	Total impervious area on the site in square feet
DRU	2,500 square feet (average amount of impervious area on a residential parcel)
R	Rate per DRU
C	Credit amount subtracted from monthly user fee (F)
P	Maximum credit percentage, 27%
Q <sub>p</sub>	Peak runoff rate released from the site for pre-development condition
Q <sub>D</sub>	Peak runoff rate from the developed site with improvements in place
AF	Adjusted user fee including credits

The following information must be submitted to the Stormwater Division in order to be eligible for a service charge credit:

1. An approved drainage plan
2. Run-off calculations for pre- and post-development site conditions
3. A completed stormwater utility user fee credit calculation work sheet
4. A certification of system capacity by a registered civil engineer
5. A completed application including a certification by the customer as to the accuracy of the credit application materials

Once received by the City, the application will be reviewed and if approved, will be reflected in a rate adjustment retroactive to the date the application was received. Where the credit is not approved or requires revisions by the applicant, the City will so notify the customer.

Application Fee	Fee
o Quick Credits (single dwelling unit and duplexes)	No Charge
o Prorated Credits	No Charge
o On-site Mitigation (Other Credits)	
· Base Fee	\$ 63.00
· Per DRU, added to base fee	\$ 6.00
· Maximum fee	\$ 1,129.00

*When a site is being fully developed or redeveloped and is infiltrating 100%, the reduction will be applied administratively without an application process or fee.*

<b>Delinquent User Charge Collection (GRC 3.60.095(3))</b>	<b>Fee</b>
Penalty for sending delinquent notice (per billing)	\$ 5.00
Late payment charge (per annum, compounded monthly)	9%
Collection fee (% of the total amount due on a stormwater account may be charged to each account as a fee for collecting delinquent stormwater accounts)	20%

## Wastewater Use Fees

Gresham Revised Code (GRC) sections are for reference and are subject to change.

Establishing Resolution No. 3500 was passed 6/7/22 and effective 7/1/22.

### Wastewater Monthly Charges (GRC 4.50.010(2))

**Fee**

For all user classes, the user charge shall not be less than the equivalent of that charged for a single residential dwelling unit prorated over the billing period. Wastewater flow charges are based on the winter monthly average flow (October - April of the prior fiscal year and applied monthly).

#### Effective for Service Period Ending On or After 1/1/2022

o Inflow and infiltration (per service account)	\$	5.93
o Billing service charges (per service account) (GRC 4.50.020)	\$	5.32
o Residential Service Charge Single-family, duplexes, Triplexes, manufactured homes (per dwelling unit)	\$	22.31
o General Flow and Strength Charges (per hundred cubic feet, CCF)		
· Residential service only	\$	0.66
· Low Strength (less than 400 mg/1 combined BOD and SS) <i>Multi-family, manufactured home park (multi-family), condominium, general commercial, hospitals, car wash, laundries, schools</i>	\$	3.88
· Medium Strength (400 - 1,100 mg/ 1 combined BOD and SS) <i>Taverns, mortuaries, industrial laundries</i>	\$	6.54
· High Strength (greater than 1,100 mg/ 1 combined BOD and SS) <i>Restaurants, bakeries</i>	\$	8.06
o Monitored commercial and industrial volume		
· Flow per 1,000 gallons	\$	2.71

· Flow per 1,000 gallons	\$	0.54
· BOD per lb	\$	0.61
· SS per lb	\$	0.58
· Depreciation charge per 1,000 gallons of contracted average dry weather flow capacity	\$	1.04

No user class or water usage record established for a customer

Where there is no user class established for a customer, the manager shall evaluate and assign the anticipated user class based on discharge to the system. The manager may evaluate and reassign the appropriate wastewater user class based on actual discharge to the system.

For residential customers where there is no winter water average established the minimum wastewater charge shall include the following components: Inflow & Infiltration, Billing Service Charge, Residential Service Charge, and the General Flow Charge based on the city’s then-current winter water average per residential dwelling unit. The wastewater user charge may be updated when the actual water usage is established.

For non-residential customers where there is no winter water average established, the location will be charged based on actual water usage, or actual discharge to the system as measured by discharge meter readings, or the residential charge as described above will be used. The wastewater user charge may be updated when actual water usage or wastewater discharge is evaluated.

<b>Delinquent User Charge Collection (GRC 4.50.060(3))</b>	<b>Fee</b>
Penalty for sending delinquent notice (per sewer billing)	\$ 5.00
Late payment charge (per annum, compounded monthly)	9%
Collection fee (% of the total amount due on a sewer account may be charged to each account as a fee for collecting delinquent stormwater accounts)	20%

<b>Stormwater Development &amp; Other Related Fees</b>
--

*Gresham Revised Code (GRC) sections are for reference and are subject to change.*

*Establishing Resolution No. 3622 was passed December 10, 2024 and effective December 10, 2024.*

<b>Stormwater Connection</b>	<b>Fee</b>
Connection Fee (each) (GRC 3.30.035)	\$ 50.00
<i>Charged for a new surface or subsurface connection where one has not previously existed (greenfield, subdivision lot, etc.). Not charged for building remodels, additions or redevelopment.</i>	
Connection approval not obtained , % of Stormwater system development charge (GRC 3.30.015(1))	50%

## Wastewater Development & Other Related Fees

*Gresham Revised Code (GRC) sections are for reference and are subject to change.*

*Establishing Resolution No. 3500 was passed 6/7/22 and effective 7/1/22.*

<b>Wastewater Connection</b>	<b>Fee</b>
Connection Fee (each) (GRC 4.10.030)	\$ 97.00
<i>Charged for a new surface or subsurface connection where one has not previously existed (greenfield, subdivision lot, etc.). Not charged for building remodels, additions or redevelopment.</i>	
Connection system use permit not obtained , % of wastewater system development charge	50%
Dye test inspection (GRC 4.10.070)	\$ 93.00
Old building sewer testing (Deposit required) (GRC 4.20.030)	Actual cost
<b>Increase in Discharge Fee (GRC 4.50.070)</b>	<b>Fee</b>
Increase in Discharge Fee	\$ 63.00

**Waiver of Reservation Fees for Group Picnic, Sports Facilities, & Special Events (GRC 6.10.010)**

The manager may consider a waiver of all or part of the above fees based on these criteria:

1. The applicant provides evidence of financial hardship with the inability to pay, or is a recipient of financial public assistance.
2. The applicant intends to dedicate 100% of the revenue of the event or activities to be held at the city facility for non-profit benefit, or to support community service purposes.
3. The activity or event is planned and/or sponsored by the city, other government entities, or a school
4. The applicant enters into an agreement with the city for the applicant to provide maintenance services in lieu of the fees (only relates to sports facilities).

**Vending or Concession Permit (GRC 6.13.030)** **Fee**

Non-refundable application fee	\$	40.00
Refundable security deposit	\$	250.00
Vending/concession fee, the greater of either:		
o Flat fee	\$	250.00
o % of gross receipt		10%
City support staff service fee, if needed (per hour)	\$	40.00
Electrical hookup (per day)		
o 110 Volts	\$	10.00
o 220 Volts	\$	20.00

**Waiver of Vending or Concession Fees (GRC 6.13.030)**

The manager may consider a waiver of all or part of the fees based on the following criteria:

1. The applicant intends to dedicate 100% of the concession-generated revenue to a Gresham-based, non-profit organization’s benefit, or to support a Gresham community service purpose. The manager may require written proof of benefit such as a letter of intent regarding use of the revenue.
2. The concession generated revenue will benefit a city sponsored or co-sponsored program or activity.

The applicants shall submit their written request with their permit application to the manager at least 30 days prior to the date of the requested use or the request may be denied.

## Utility Licenses Except for Wireless Communication Facilities

*Gresham Revised Code (GRC) sections are for reference and are subject to change.  
Establishing Resolution No. 3394 was passed 4/7/2020 and effective 7/1/2020.*

 Plan review fees for OMSC are included in the permit fees. Additional plan review is required for unusual conditions. When plan reviews are performed by a licensed plan reviewer pursuant to ORS 455.465 (and subsequent statutes). For processing and recording the plan review.

Additional Plan Review Fee - hourly rate \$ 139.00  
 Required by changes, additions or revisions to approved plans. Minimum charge, one-half hour.

#### Inspection for OMSC and ORSC (GRC Chapter 10)

Inspections outside of normal business hours - per site visit \$ 249.00

Reinspection fee - per inspection \$ 166.00  
*May be assessed whenever additional inspections are required due to, but not limited to, failure to provide access to the equipment, work incomplete and not ready for inspection, failure to have approved plans on the job, deviations from approved plans, etc. In those instances where a reinspection fee has been assessed, no additional inspection of the work will be performed, nor will the Certificate of Occupancy be issued, until required fees are paid.*

Inspections for which no fee is specifically indicated - per hour, minimum charge one-half hour \$ 166.00

Requested inspection fee - per visit \$ 249.00  
*Requested inspections that are not part of the regular inspection program will be made as soon as practical after payment to the Building Official of the fee specified.*

Each additional inspection over the allowable number per permit - per inspection \$ 166.00

#### Investigation fees for OMSC and ORSC (GRC Chapter 10)

*Except for emergency work, whenever any work has been commenced without first obtaining the permit required by code, a special investigation shall be made before a permit may be issued for such work. The payment of an investigation fee shall not exempt any person from compliance with all other provisions of the code requirements, nor from any penalty prescribed by law.*

An investigation fee - per hour	\$	166.00
Fee charged at 1/2 hour increments, minimum 1 hour. In addition to the permit fee. Shall be collected whether or not a permit is then or subsequently issued.		

**Surcharge for OMSC & ORSC (GRC Chapter 10)**

In addition to the below permit fee charges, there is imposed the total of all surcharges imposed by the State on the total of the fee authorized by Permit Fees of Oregon Mechanical Specialty Code (OSSC) and Oregon Residential Specialty Code (ORSC).

## Building & Housing Electrical

*Gresham Revised Code (GRC) section(s) are for reference and are subject to change.*

*Establishing Resolution No. 3507 was passed 6/7/2022 and effective 7/1/22.*

*Before a permit may be issued for the installation, alteration, renovation or repair of electrical systems under the Oregon Electrical Specialty Code (OESC), fees shall be collected pursuant to GRC 10.10.180.*

*The following are fees in place from July 1, 2024-June 30, 2025. Fees to increase annually.*

<b>Minimum Charge (GRC Chapter 10)</b>	<b>Fees Effective July 1, 2024</b>
Minimum Permit Fee	\$ 117.00
<b>New Residential Single/Multi-Family Dwelling Unit Electrical Code (GRC Chapter 10)</b>	
1,000 square foot or less (4 inspections per permit)	\$ 221.00
Each additional 500 square foot or fraction thereof	\$ 56.00
Limited Energy Installation, One or Two Family (2 inspections per permit)	\$ 56.00
Multi-Family (2 inspections per permit)	\$ 56.00
Each Manufactured Home/Modular Dwelling Service/Feeder not included in Permit Fees for Manufactured Home Siting Permits (2 inspections per permit)	\$ 133.00
<b>Services or Feeders Installation, Alteration or Relocation (GRC Chapter 10)</b>	
200 amps or less (2 inspections per permit)	\$ 144.00
201 amps to 400 amps (2 inspections per permit)	\$ 177.00
401 amps to 600 amps (3 inspections per permit)	\$ 260.00
601 amps to 1,000 amps (3 inspections per permit)	\$ 360.00
Over 1,000 amps or volts (4 inspections per permit)	\$ 718.00
Reconnect only (1 inspection per permit)	\$ 77.00
<b>Temporary Services or Feeders Installation, Alteration or Relocation (GRC 10)</b>	
200 amps or less (2 inspections per permit)	\$ 117.00
201 amps to 400 amps (2 inspections per permit)	\$ 155.00

401 amps to 600 amps (3 inspections per permit)	\$	233.00
Over 600 amps or 1,000 volts (4 inspections per permit)	\$	360.00

#### **Branch Circuits – New, Alteration or Extension Per Panel (GRC Chapter 10)**

Fee for Branch Circuits with Purchase of Service or Feeder Fee	\$	16.00
Fee for Branch Circuits without Purchase of Service or Feeder Fee	\$	96.00
Each Additional Branch Circuit	\$	16.00

#### **Miscellaneous (Service or Feeder Not Included) (GRC Chapter 10)**

Installation of Single (1) Branch Circuit (Not to exceed 240 Volt or 30 Amp)	\$	56.00
Each Pump or Irrigation Circle (2 inspections per permit)	\$	96.00
Each Sign or Outline Lighting	\$	115.00
Signal Circuit(s)/Limited Energy Panel, Alteration or Extension (2 inspections per permit)	\$	96.00

#### **Master Electrical Permit (GRC Chapter 10)**

One Time Set Up Fee	\$	111.00
Minimum Charge for Inspections, per hour <i>Time spent traveling to and from the site and any associated office time shall be included.</i>	\$	171.00

#### **Minor Label Inspections (GRC Chapter 10)**

Minor label inspections shall be conducted in accordance with Oregon Administrative Rules established by the Tri-County Building Industry Services Board. The rate of reimbursement for the inspections is set by the Tri-County Building Industry Services Board.

#### **Plan Review for Oregon Electrical Specialty Code (OESC) (GRC Chapter 10)**

Plan Review Fee - percentage of permit fee <i>Where an application is made and a plan is required. Payable at the time of application.</i>		25%
Additional Plan Review Fee - hourly rate Required by changes, additions or revisions to approved plans. Minimum charge, one-half hour.	\$	139.00

### Inspection for OESC (GRC Chapter 10)

Inspections outside of normal business hours - per site visit	\$	249.00
Reinspection fee - per inspection <i>May be assessed whenever additional inspections are required due to, but not limited to, failure to provide access to the equipment, work incomplete and not ready for inspection, failure to have approved plans on the job, deviations from approved plans, etc. In those instances where a reinspection fee has been assessed, no additional inspection of the work will be performed, nor will the Certificate of Occupancy be issued, until required fees are paid.</i>	\$	166.00
Inspections for which no fee is specifically indicated - per hour, minimum charge one-half hour	\$	166.00

Required by changes, additions or revisions to approved plans. Minimum charge, one-half hour.	

### Inspection for Oregon Solar Installation Specialty Code

Inspections outside of normal business hours - per site visit	\$	249.00
Reinspection fee - per inspection	\$	166.00
<i>May be assessed whenever additional inspections are required due to, but not limited to, failure to provide access to the equipment, work incomplete and not ready for inspection, failure to have approved plans on the job, deviations from approved plans, etc. In those instances where a reinspection fee has been assessed, no additional inspection of the work will be performed, nor will the Certificate of Occupancy be issued, until required fees are paid.</i>		
Each additional inspection over the allowable number per permit - per inspection	\$	166.00

**Investigation for Oregon Solar Installation Specialty Code (GRC Chapter 10)**

Whenever any work has been commenced without first obtaining the permit required by code, a special investigation shall be made before a permit may be issued for such work. The payment of an investigation fee shall not exempt any person from compliance with all other provisions of the code requirements, nor from any penalty prescribed by law.

An investigation fee - per hour	\$	166.00
Fee charged at 1/2 hour increments, minimum 1 hour. In addition to the permit fee. Shall be collected whether or not a permit is then or subsequently issued.		

**Surcharge for Oregon Solar Installation Specialty Code (GRC Chapter 10)**

In addition to the below permit fee charges, there is imposed the total of all surcharges imposed by the State on the total of the fee authorized by Permit Fees of Oregon Structural Specialty Code (OSSC) and Oregon Residential Specialty Code (ORSC).

## Public Safety Permits

*Gresham Revised Code (GRC) and Oregon Fire Code (OFC) sections are for reference and are subject to change. Establishing Resolution No. 3498 was passed June 21, 2022 and effective July 1, 2022.*

*The following are fees in place from July 1, 2024-June 30, 2025. Fees to increase annually.*

### Permits (GRC Article 10.25)

<i>Where conflicts occur with fees provided in the Oregon Fire Code, as amended, the below fees shall prevail. Fees shall not be applied to schools and registered non-profit organizations.</i>	<b>Fees Effective July 1, 2024</b>
Aircraft refueling vehicles, to operate (OFC Chapter 1, Section 105.6.3)	\$ 166.00
Special places of assembly (OFC Chapter 1, Section 105.6.36)	\$ 331.00
Special events, to operate (i.e. Farmers Market; trade shows, exhibits) (OFC Chapter 1, Section 105.6.13)	\$ 331.00
Carnivals and fairs (OFC Chapter 1 Section 105.6.4)	\$ 331.00
Seasonal Sales (OFC Chapter 1 Section 105.6.4) <i>To operate a seasonal business or selling Christmas trees and other holiday ornaments.</i>	\$ 166.00

School, K-12	\$ 6,694.00	\$ 706.00	\$ 7,400.00	per 1,000 sq ft GFA
School, Post-Secondary	\$ 13,944.00	\$ 1,471.00	\$ 15,415.00	per 1,000 sq ft GFA
Truck Stop	\$ 30,120.00	\$ 3,177.00	\$ 33,297.00	per 1,000 sq ft GFA
Video Lottery Establishment	\$ 74,743.00	\$ 7,882.00	\$ 82,625.00	per 1,000 sq ft GFA

## Wastewater System Development Charges

*Gresham Revised Code (GRC) sections are for reference and are subject to change.*

*Establishing Resolution No. 3598 was passed on April 2, 2024 and effective July 1, 2024.*

Wastewater System Development Charges (GRC 11.05)	Total	Improvement	Reimbursement
--	-------	-------------	---------------

Charged based on Water Meter Size.

3/4"	\$ 7,645.00	\$ 5,103.53	\$ 2,541.47
1"	\$ 12,736.00	\$ 8,501.38	\$ 4,234.62
1.5"	\$ 30,563.00	\$ 20,401.04	\$ 10,161.96
2"	\$ 48,392.00	\$ 32,301.61	\$ 16,090.39
3"	\$ 110,783.00	\$ 73,948.30	\$ 36,834.70
4"	\$ 191,001.00	\$ 127,495.09	\$ 63,505.91
6"	\$ 407,465.00	\$ 271,986.49	\$ 135,478.51
8"	\$ 713,057.00	\$ 475,971.96	\$ 237,085.04

## Water System Development Charges

*Gresham Revised Code (GRC) sections are for reference and are subject to change.*

Establishing Resolution No. 3587 was passed on February 20, 2024 and effective July 1, 2024.

*The following are fees in place from July 1, 2024-June 30, 2025. Fees to index on July 1, 2025 and July 1, 2026.*

<b>Water System Development Charges (GRC 11.05)</b>	<b>Improvement Rate</b>	<b>Reimbursement Rate</b>	<b>Total Rate</b>
---	-----------------------------	-------------------------------	-------------------

Charged based on Water Meter Size.

3/4"	\$ 3,841.00	\$ 2,712.00	\$ 6,553.00
1"	\$ 6,402.00	\$ 4,520.00	\$ 10,922.00
1.5"	\$ 15,363.00	\$ 10,849.00	\$ 26,212.00
2"	\$ 24,324.00	\$ 17,179.00	\$ 41,503.00
3"	\$ 55,689.00	\$ 39,330.00	\$ 95,019.00
4"	\$ 96,014.00	\$ 67,811.00	\$ 163,825.00
6"	\$ 204,831.00	\$ 144,663.00	\$ 349,494.00
8"	\$ 358,453.00	\$ 253,161.00	\$ 611,614.00

For meter sizes over 8", the Water SDC Rate will be determined using the same methodology as smaller meters which is based on the maximum continuous operating capacity of the meter.

## Development

*Gresham Community Development Code (GCDC) sections are for reference and are subject to change.*

*Establishing Resolution No. 3604 was passed June 4, 2024 and effective June 30, 2024.*

*The following are fees in place from July 1, 2024-June 30, 2025. Fees to increase annually.*

### Development Permit Fees (GCDC 2.009)

**Fee**

*When two or more applications are submitted at the same time, the appropriate fee for each action shall be charged. When action has been taken which requires permits or approvals under the Community Development Code, and no such permit or approval has been obtained, the applicable fees shall be doubled.*

Accessory Dwellings (Type II)	\$	1,434.00
