COMMERCIAL FEE SCHEDULE		
Mechanical permit fees are based on the total value of		
the work performed. Indicate the value (rounded to the		
nearest dollar) of all mechanical materials, equipment,		
labor, overhead and profit. Note: Permit forms should		
be filled out based on scope of work (check box below)		
and contractor doing the work. Example: If you have		
HVAC, Hood & Walk-in cooler checked and the same		
contractor is doing all three you would put the total		
value for all three in one form. If you have three		
separate contractors doing the work you would need		
three forms, one for each contractor with the value		
separated out.	l
